Board Meeting Minutes

August 20, 2026

NOTE:

These notes from the August meeting prepared by David Dellinger were presented and approved as meeting minutes for August 20, 2026.

To the Board:

I didn't think about the fact that without Loida being there, we never took any official minutes. I only thought about it later that night. I took some notes on the agenda and will list what I can remember about the decisions we made as a Board. This is by no means a document to replace the minutes. I didn't take copious notes on everything. It's just a laundry list of things to do post Board Meeting.

1. CPR Training Sessions to be sent out to the membership from Rose. Rose and Vickie will collaborate on the e-mail announcement.
* Friday October 2nd, 9:00-11:00 am
* Friday October 2nd, 5:00-7:00 pm
* Saturday October 3rd, 8:00-10:00 am

2. The current potential drilling site was deemed not viable due to subterranean water and electrical issues.

3. We need to have Tom check in with Jake if we have any specific concerns that the cameras might have caught for unruly behavior. Need to be specific about the date and time.

4. I will be addressing issues with broken zip ties on the yellow noodles and the blue tubing this week.

5. "Gobble Gobble, Pickle Pickle"
* Approved budget of $300.
* Confirmed that we are receiving 10 free Thanksgiving Turkeys from the Grocery Outlet on Greenback Lane. Winners will be chosen by filling out their names and dropping a ticket in a box, (Jerry to staff)

* We will be adding Thanksgiving Ham, raffle winner who guesses closest to the number of pickles in a large pickle jar. 1 winner chosen from submitting a named ticket in a raffle box, (Loida to staff)
* 3 winners of best dressed outfits, (chosen by Marty)
* Goodie bags for up to 5 teams that have an 11-0 Pickle win… consolation gift to the pickled teams
* No need for decorations……the Fall, Thanksgiving, Turkey outfits will be our decorations.

6. After the next nighttime Ambassador is approved, we will cover each weekday night with suggested times of 6:00-9:00 pm. Colorful vests, name badges. They will also work the optional Sunday night shift if they are so inclined.
* They will work with each other to set a 3-2, 2-3 rotation each week….example, Michael works 3 nights, next week he works 2 nights, and rotates with the new Ambassador, subject to their availability.

7. A decision was made to purchase a stronger and much more substantial storage shed. Will work with Rodney on this project. There are now 2 new locks with the same code of #2580 on the current shed.

8. Working with Loida to set up an appointment to meet with the locksmith to repair/replace the door lock on the Bistro.

9. We reviewed in detail for upcoming months for potential events/mixers starting with September. This could be a bit fuzzy, so Rose, please check it carefully to make sure that I got things correctly! Thanks!
